February 08, 2026: Super-Donald - the Krypto Super Hero

It's a long story, but let's cut to the chase.

In autumn 2024, when it had become clear that he'd likely win back the White House in about six weeks, Donald Trump and his friend Steve Witkoff founded a crypto business called World Liberty Financial (WLF).

WLF was (and remains) an ideal vehicle for leveraging political power in search of financial gain. Crypto is shrouded in mystery and intrigue. The public generally doesn't understand it. The Federal Reserve says just 2 percent of Americans used crypto to pay for something in 2024. The "value" that investors promote and customers purchase is vague. Hence, a crypto business — whether in tokens, currency, or other iterations — is an ideal way to disguise political payoffs as financial transactions. And,

FLASHBACK TO SEPTEMBER 13, 2024:

PUBLIC NOTICE: 'IT' is evidencing a blatant disregard for the rules of law as IT evidences the ability to spy on my movements and my computer screens in real time.

This is a designed feature to stall the filing of a lawsuit against IT. I am specifically posting no trespass signs inside of my phone and computer to notify IT that IT is NOT ALLOWED TO SPY ON PRIVATE ATTORNEY COMMUNICATIONS AND WORK PRODUCT. (I AM AN INACTIVE ATTORNEY THAT CAN NO LONGER PRACTICE BECAUSE 'IT' HAS TAKEN UP RESIDENCE INSIDE of our home life.)

We are experiencing a serious collapse of the public order.

I am maintaining the live stream for my own safety and to notify others that 'IT' is showing ITself to be a lawless 'beast' of brutality that will 'tit' for 'tat' retaliate for any steps I take towards justice and also IT will persistently attack without any feedback from the victim in order to further destroy the 'will' of ITs prey.

IT is a very terrible time in America.

Everyone can put the pieces together to see what is happening here, but nobody can do anything about it because these are the people in control of the United States military and national security apparatus.

When this is the ‘scene’ then as the lead investigator on the site of a kidnapping, you might as well ‘go watch the game’ from ‘the box seats’.

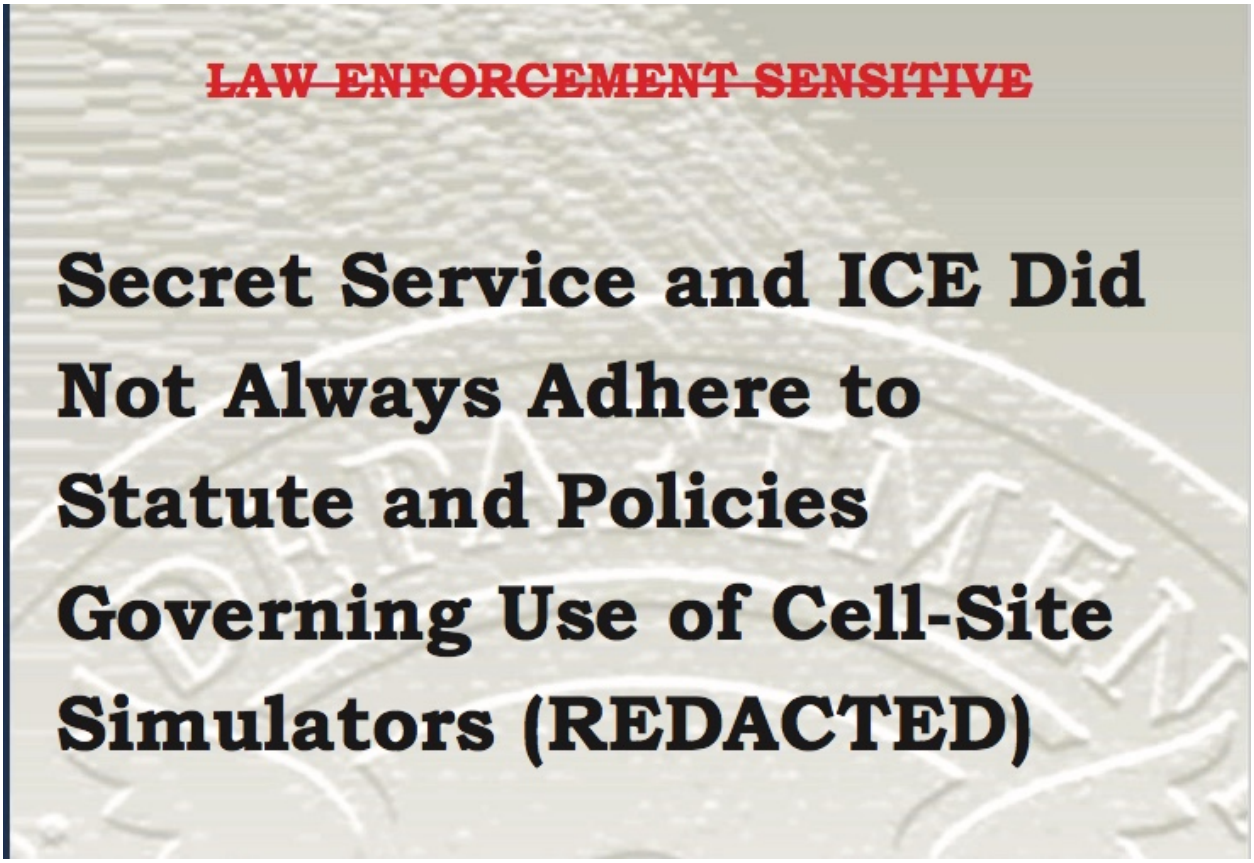
Meet the new national police force

Analysis by Zachary B. Wolf, CNN

5 minute read · Published 5:00 AM EDT, Wed July 9, 2025



YES, I AM RAISING THE FUCKING ALARM. DONALD TRUMP AND HIS NATIONAL (IN)SECURITY SQUAD IS INVADING OUR HOME AND MANIPULATING OUR LIVES WITHOUT ANY REGARD FOR THE RULE OF LAW.

THIS IS PURE, EXISTENTIAL, POWER AT PLAY NOW IN THIS WORLD.

EXPOSE THIS TYRANT FOR EVERYTHING THAT HE IS -

AN EVIL SUPER-VILLAIN AS HIS FAITHFUL SIDEKICKS!

(AND YES, they already know that my ‘Wheels of Steel’ are exactly the type of powerful organization that is needed to STOP them from continuing this EXISTENTIAL WAR of MOTORING and PLOWING (X) through our rules of law.)

(I am hearing loud ‘popping’ sounds outside of my house now. Just another innocent sound effect added to my daily life, no doubt . . . no doubt . .)

FUCK DONALD TRUMP - HE IS A DANGER TO OUR COMMUNITY!

(KRYPTONITE LOCK AND CHAIN - JUST LIKE THE ONE THAT I USED TO LOCK UP MY GATE!)

(I HOLD THE KEY TO SUPERMAN’S KRYPTONITE! - AND HE KNOWS IT!)

Do you know the amount of torment that this old man had pushed over my life? I FUCKING HATE YOU DONALD CHUMP - **MAY YOU ROT FOREVER IN HELL FOR WHAT YOU HAVE DONE TO ALL OF US**!
